Director General, Board of Directors,  
International Institute of the Juche Idea

Esteemed Comrades and friends, and participants in the seminar,

I am happy to extend a word of congratulations to all the participants in the international seminar on the Juche idea, on independence, sovereignty and social advancement, which has been being convened on the occasion of the 75th founding anniversary of the Democratic People's Republic of Korea.

This seminar will be very important as it has been convened as a social significant movement of the founding anniversary of the DPRK, which has marched a victory of a proud history of seventy five years heroically independence, sovereignty of the entire country, peace and stability of the Korean Peninsula, under the wise leadership of great leaders.

The seminar includes the very important highlight of feats by the great eternal President of the Korean people, Comrade Kim Il Sung, who founded the immortal Juche idea, who encouraged the people to restore the Korean homeland from the colonial yoke of Japanese imperialism, formed gloriously the Democratic People's Republic of Korea, won a victory in the Korean War after launching the liberation of the Korean people, all those victories affected the defeat of the US imperialism that march the beginning of the downfall of the imperialism in the world.

Sovereignty conducted by the Workers' Party of Korea and the DPRK fully developed all the aspects of the Korean people's revolutionary armed forces.

We are always convinced of the correctness and validity of the Juche idea founded by President Kim Il Sung and developed and systematized by the leader Kim Jong Il, and faithfully continued by General Secretary Kim Jong Un, and express our confidence that the Korean People will continue to win a brilliant victory in the struggle of socialism, faithfully win independence, sovereignty and dignity of the Korean homeland

under the banner of Juche.

I express our firm confidence that the seminar will be a great important opportunity to promote and disseminate of the Juche idea on a worldwide scale, and to send our firm support and solidarity of the Korean people, who are fighting for the final victory in the confrontation against US imperialism and under the just wise leadership of Comrade Kim Jong Un, chairman of the State Affairs of the DPRK. We wish the seminar a success with all comrades.
